"Moving Forward to the Past..."

The Canal Fulton Heritage Society was established in 1968 to:

"Advance, encourage and promote the design, development and preservation of an historically attractive environment for the [City] of Canal Fulton, Ohio and its environs."

Your support matters. By becoming a member you are helping to preserve the unique history, experience and atmosphere Canal Fulton (listed on the National Register of Historic Places) has to offer. Memberships and donations help maintain the Society's historic properties, homes and archives; raise funds for improvement projects and expand the programs and resources we need to carry out our mission.

Your membership or donation is tax deductible as well. Donations of any amount are always welcome.
